In the right hands, calendars become elaborate planning tools that help you organize everything from your own daily business meetings to your kids' medical appointments and extracurricular activities. Can you find them for free, or do you have to pay or subscribe? If you choose a style to keep on your desk, you may also be happy with a standard printout on plain white paper, but fancy styles may deserve some fancy printing. These are some of the most detailed sheets in the business, with more information than you ever imagined you could have at your fingertips. You may find everything you need within the free trial period, but if not you can choose the pricing plan that fits your needs. SDS Search SDS Search by Verisk 3E is a veritable wealth of MSDS material. For hanging your calendar on the wall, you can use pretty pushpins or colorful thumbtacks or a reusable mounting putty if you want to avoid making a hole in the wall. Free Basic Calendar Templates Despite all the visual appeal of a really cool calendar, sometimes all you need is a simple style you can write notes on and keep in the car or on your desk. MORE FROM QUESTIONSANSWERED.NET Free Daily Planner Templates If your life is far too chaotic and busy, you may need the more extensive capabilities of a daily planner instead of a wall calendar template. The options range from creative abstract designs to colorful florals and classic plaids. That's right: no accounts, no subscriptions. MilliporeSigma may not have the largest database out there, but what they lack in size they make up in detail. Chemical Safety Software Chemical Safety Software is one of the premier vendors of environmental health and safety software, but they're also a leader in MSDS sheet availability. You can view, download and print sheets in PDF format with no limits or trials that expire. The site also has an impressive selection of calendar templates and life planning tools. MORE FROM QUESTIONSANSWERED.NET Photo Courtesy: Jasper Cole/Getty Images Calendars serve as an essential tool when you need to stay organized. You can get access to over a million MSDS sheets at no charge, and all you have to do is sign up for a free account. All printed labels are inspected at various stages for quality control and quality assurance purpose so you get best out of your spend. Whether it's a small job or large production run, every label has to go through the same process. And it's absolutely free for any user. If you think the calendar needs some extra pizzazz, clamp the pages onto a pretty clipboard and hang the clipboard on the wall or put the page inside an attractive, easy-to-open frame (since you will have to change it each month). This extremely no-muss/no-fuss website allows you to easily print plain monthly calendars, but it does offer a big perk to balance the boring look. How much you will have to pay will depend on the options you choose. Template Lab features a nice selection of daily planning layouts to fit a variety of tasks. Bright colors simply won't look as vibrant on basic printer paper. Microsoft also gives its Office 365 users access to premium templates with stylish, colorful designs that have a polished, professional look. These helpful sheets provide you with all the information you need to know about chemicals and their dangers, as well as how to handle them properly. The Freebie gallery at Cottage Market also has links to printable calendars and daily planners, including an adorable Harry Potter set for fans of the wizarding world. If you plan to write on the calendar, opt for a bright white, premium quality paper that is right below photo quality. You also have the ability to download the sheets in a PDF format. You can type your schedule (if you already know it) right into the daily boxes on the website before printing, eliminating the need to worry about your handwriting size. You will have to sign in to your Microsoft account to access the premium options. If you're crafty and creative, use a hole-punch to make two holes at the top of each page and then thread ribbon or raffia through the holes, tie the ends in back and hang it on the wall. You can even embed their database search options into your own company website. 2 3 The file will be saved in the Downloads folder of your computer or device. The coloring page style is also a popular recurring choice that makes a great calendar for tracking kids' activities. Photo Courtesy: Alistair Berg/DigitalVision/Getty Images Using Your Printable Calendar Once you've selected the calendar style you want, it's time to think about how to print and display it. Any standard inkjet printer can produce exactly what you need on plain white copy paper. You can print pages with slots for appointments for every hour of the day as well as pages with lesson plans and daily goals and to-do lists. The site also has blog posts and other helpful information, and you may even want to check out their products when you see how robust their MSDS database is. SDS ProIt's nice to find a website with a huge amount of information that you can use for free. You can view or print the sheets in a Google Docs type format that works directly in the site. In fact, with so many options to choose from, you may decide you want a personalized calendar in every room of your home. Photo Courtesy: TemplateLab.com Professional Assistance If you create a calendar you love but your printer isn't up to the challenge, you can always reach out to an office supply store for professional printing. If you merely care about basic functionality and opt for a simple calendar printout to stick in the console of your car, then you don't need anything special for printing. Where can you find them online? There are plenty of places to find MSDS sheets online, and here are five of the best sources. MilliporeSigma Chemical company MilliporeSigma, formerly Sigma-Aldrich, has a strong MSDS database built into their corporate website. SDS Pro is one of those sites. You can also take advantage of paid subscription features that go deeper with the information that you can access. Styles are available for use in Word, Excel and PowerPoint. If it will merely be a pretty wall calendar, you can really make it shine by printing on high-gloss paper or photo paper. A QUICK HELP FOR PRINTING CC0/Free-Photos/Pixabay If you work with potentially dangerous chemicals at work, you're familiar with Material Safety Data Sheets (MSDS). The only real limit for usage is your imagination. Photo Courtesy: Sydney Bourne/Cultura/Getty Images Case in point: If you create an elaborate, colorful design that is worthy of prime positioning on your wall, then you might want to think twice about dulling it down with a plain paper print job. If you want a wall calendar that focuses on large spaces for writing instead of colorful designs, Print-a-Calendar could be the answer. With 3,500,000 sheets and counting, MSDS Online is a powerful library of data for industrial enterprises. Instead of letting your wallet take a hit, you can make your own calendars using templates featuring both basic and visually stunning styles. Most of the styles exclude specific date information to ensure the templates are never outdated. 1 The reference of the product can be found on our website or on your packaging. You can usually find free calendars at local banks, grocery stores and other small businesses (who often use them as promotional tools), but they are typically small with squares that are too tiny to be very helpful for anything besides the most simple tasks. Get your hands on more detailed reporting, inventory tools and so much more when you opt for a paid plan. MSDS Online You can find a ton of information on MSDS Online by VelocityEHS. With over seven million sheets available for you to download, if you can't find it here, you probably can't find it anywhere. An account on the site allows you access to PDFs of all of the MSDS sheets that you may ever need. Additionally, if you decide you want to keep all your daily planner pages instead of throwing them away as you use them, you can take your pages in for basic binding at a nominal cost. Please see below a selection of some work we have done: Sign up to the Avery newsletter In our newsletters, you will receive exclusive information from Avery, including: Free design templates Avery software tips and tricks Exciting offers and competitions Be the first to hear about new product releases Inspirational ideas and how-to guides If you no longer wish to hear from Avery you can easily unsubscribe at any time. Most, if not all, of the sheets on the site are in PDF format, just like the other sites on this list - except that SDS Search has so much more for you to choose from. More ready-to-go printables than actual templates - the calendars aren't customizable at all - the options always look sleek and professional. Creative and Colorful Calendar Printables Any store with office and school supplies is sure to have an ample selection of gorgeous wall calendars and book-style planners, but the price tags on these items can be ridiculously high. The exact designs may change each year, although you can always count on at least one eco-themed design in the collection. SDS Search has several pricing plans available, and chances are you can find a plan that suits your needs. You can download up to five sheets for free, and you'll have to register to set up an account for downloading. Photo Courtesy: Microsoft.com You can't go wrong with the selection of basic, free and easy-to-use templates available on the Microsoft website. With around 250,000 sheets in their database, you can find the most common and best information in PDF format with ease. They help you keep track of simple - but critically important - dates, like upcoming birthdays and anniversaries, but if you lead a busy life, their usefulness extends far beyond keeping up with the days of the week. Search by product number, and you can find what you need from more than 200,000 MSDS sheets. Sign up for a free trial and give the site a test drive. MSDS Online is part of the VelocityEHS family, which means that they have international resources at their disposal. Fortunately, you can find plenty of useful and attractive calendar templates online in numerous styles to help with organizing a range of activities. Photo Courtesy: BotanicalPaperWorks.com The offerings at Botanical Paper Works are about as simple to work with as you can get. It's a little harder to find planner options you can create and print for free, but it's not impossible. An inkjet printer - particularly a photo printer - should be up to the challenge of producing high-quality results if you choose the right paper. It's usually easy to find sites with good templates for basic calendars.
